DIRECTIONS

Horn Creek is off of Highway 69. There are signs that will help guide you to camp. Turn onto CR 140, then turn left onto Macey Ln (CR 129). Turn right on CR 130 and follow this all the way to camp. We do not recommend turning off of Highway 69 onto CR 130 because this section of road is not paved. If you are flying into Colorado, we recommend arriving at Colorado Springs Airport, which is 2 hours away.

CLIMATE AND WEATHER

WEATHER – We enjoy over 300 days of sunshine every year and a cool, dry climate. Summer daytime highs are typically in the 70s or low 80s. Lows in the summer are in the 40s or even 30s. Temperatures at higher elevations are usually lower than in town. A warm jacket and/or sweater will be necessary for your visit during the summer.

Thunderstorms are typical daily occurrences during the summer, especially during July and August. Locally, we refer to this as the “monsoon” or rainy season. Stay off of ridges and away from open ground to avoid lightning strikes. Longer hikes are best started early in the morning so you can be down off the mountain when the lightning starts.

OUTDOORS – It is essential to wear eye protection, a hat, and sunscreen when outdoors. The sun is much more intense here than in areas of lower altitude. Insects and mosquitoes love Westcliffe as much as people, especially in summer. Be sure to pack insect repellent and use it frequently when you plan on being outdoors.

ALTITUDE – Gains in altitude can affect anyone, especially when traveling above 7,000 feet. Sometimes, the effects can include: headaches, breathlessness, fatigue, nausea, vomiting, inability to sleep, or swelling of the hands, face, or feet. Some ways to reduce your symptoms: avoid strenuous activity for the first day or two of your visit, and drink extra water. Check with your doctor before going to high altitude if you have a heart or lung condition. If your symptoms worsen, consult a doctor immediately.

WHO IS THE FAMILY CAMP STAFF?

We have an amazing team of college-aged and young adults who will be serving you and your family this summer. They will be helping make your week amazing in everything from running programs, serving at meals, and offering 'Connection Time' for kids. They will come alongside you in any way that would be beneficial for your family. Horn Creek Family Camp Counselors will most likely have two families per week.

WHAT IS CONNECTION TIME?

On Monday, Tuesday, Thursday, and Friday mornings we will be offering 'Connection' for both kids and parents. We are excited about offering this optional time where kids can connect with other kids and camp staff, having fun with games and a time of age appropriate Bible study. The adult Connection time is for anyone who would like to participate and will be an informal 'round table' time where we will discuss various issues. This will be lead by our host couple and will last for one hour.

WHAT IS ROUND UP?

At night, all of the families will gather together in the meeting room for a time of worship and a message. We have amazing hosts who are joining us with their spouses and families to help lead this time. Our Family Camp staff will help facilitate the Round Up time and will be available to take children out during the Host's message, or they can stay with you if you prefer.

IS THERE A PLACE FOR ME TO DO MY PERSONAL LAUNDRY?

If you need access to do laundry, please get with a staff member so we can accommodate you.

No, but we do recommend renting a car in Colorado Springs or Denver to go off camp on Wednesday or in town throughout the week.

WHAT DO WE DO ON OFF CAMP ADVENTURE DAY?

FREQUENTLY ASKED QUESTIONS (CONTINUED)

WHAT IS BANQUET NIGHT?

Friday night is a very special evening at the end of an extraordinary week. Some families like to dress up a bit for our banquet dinner, but it is not required. We will join together for a time of worship, final message, and Family blessing. This night concludes with a campfire and special time of sharing what God has done.

IS THERE A CAMP STORE?

The Horn Creek camp store and snack bar are located inside the Recreation Center. The snack bar has everything from sodas and candy to Frappuccinos! The camp store is fully stocked with souvenirs, Sky Ranch Horn Creek apparel, and special treasures!

Our hope is to provide food for the entire family. If you have dietary restrictions, please let us know and we will do our best to accommodate your family's needs. We would ask that you let us know at least one week prior to your arrival what your needs will be, so that we can prepare for you. Please contact our Food Services Manager Ryan Kenyon at RyanK@SkyRanch.org.

ARE OUR KIDS TOO YOUNG FOR THE ACTIVITIES?

We have activities for all ages; however, some do have restrictions.

TRAIL RIDES: Kids must be 8 years old to go on a trail ride, but we will have an option for pony rides and games for younger kids so they can enjoy horse experiences as well.

HIGH ROPES: Our High Ropes course is restricted by size. If you are able to fit into the harness, you can participate. Typically a 5-year-old is around the cutoff on participation.

WILL SOMEONE BE ABLE TO ASSIST US DURING ACTIVITIES IF SOME OF OUR CHILDREN WON'T BE ABLE TO PARTICIPATE?

Yes! The Family Camp Counselors are ready and willing to help in any way, including playing with or watching your kids! Just let us know how we can help.
