

ADDITIONAL ACTIVITY PARTICIPATION REQUIREMENTS

All activities are subject to availability and will be scheduled in advance. Water activities are available during certain times of the year and are ultimately dependent upon water temperature. All activities are subject to weather conditions. Please acknowledge the following guidelines: zipline participation must meet a weight requirement of 50-250 lbs; horseback riding must meet minimum age requirement of 8 years old and a maximum weight of 250 lbs; all rope activities and horseback riding require close-toed shoes. Ziplining, horseback riding (includes Ranch Life and Night at the Livery), laser-tag, and any additional rope activities require a fee listed in the contract. For information on any activities, please contact your Event Coordinator during the weeks leading up to your trip.
