TEACHER FAQ

SERIOUSLY **FUN** LEARNING

Does Sky Ranch provide a nurse for school trips?

To assure students have immediate medical care available while they are here, each school is contracted and responsible for bringing a nurse or other first aid-trained individual. Should a guest need additional medical treatment, the schools are given directions to nearby medical facilities. For additional questions regarding medical needs of students, please contact Chrisleigh Heller at chrish@skyranch.org.

Does Sky Ranch provide a space for the school nurse while on camp?

During your trip, your school will be assigned a meeting room to serve as your headquarters space for the duration of your trip. This headquarters space is exclusively available to your school throughout the trip, and as a space for the nurse to be stationed as well. If requested, Sky Ranch will provide a locked metal cabinet to store medication either in headquarters or in the nurse's room. A mini-fridge can also be provided if any medications require refrigeration.

How do students receive medication while on camp?

All medicine will be turned into the school and administered by the school nurse who should be in attendance of the trip.

What accommodations are available for dietary needs?

To access and submit a dietary needs request form, please visit our website at <https://skyranch.org/pages/special-dietary-needs-form>

At Sky Ranch, our food service team prepares three primary meals per day during your stay. We are aware that there are many different and distinct dietary needs. We strive to accommodate all requests within reason. Inasmuch as we routinely check our foods for allergens and even with the highest degree of diligence, there is still a small chance that food prepared for special diets may come in contact with restricted ingredients. We are accustomed to dealing with dietary needs such as: gluten, dairy, tree nut, and peanut allergies, diabetic, vegetarian, and vegan diets, as well as many other less common requests.

If you have any further questions or concerns, please do not hesitate to contact us at FoodService@skyranch.org

Is Sky Ranch a peanut free facility?

While Sky Ranch is not peanut free, we have limited the number of peanut products in our food. Menu alternatives can be provided in the case of severe food allergies. Designated peanut free tables can also be provided as needed. For further questions regarding allergies and food safety, please contact us at FoodService@skyranch.org.

Will students need to bring money for camp?

If the school chooses to select it as a part of their recreational time schedule, students will have the option to enter the Sky Café and Sky Ranch Corner Store. Items sold in these places range from traditional convenient store snacks and milkshakes to basic souvenirs such as post cards, stickers, or t-shirts. We recommend students bring anywhere starting from \$5-\$10 cash if they would like to take advantage of this time.

What is Sky Ranch's safety policy?

Since 1955, Sky Ranch staff members have been trained to apply a consistent set of priorities to everything we do. We believe in the practice of "Safety First" so we make safety a part of our culture. Everything starts here.

Our safety covers staff hiring, emergency procedures, abuse prevention, activity safety, food safety, facilities, security, health care, and training for leading and working with guests.

For more information on Sky Ranch's safety policy, you can visit the website at <https://skyranch.org/pages/safety#school-programs>

When are water activities available?

Weather permitting, water activities are available from April 1st-November 1st. If the air and water temperature do not meet the required safety standard, water activities will be closed for the day. While make-up activities are not guaranteed, your Event Coordinator will communicate with the school's Lead Teacher to arrange any make-up activities in the case of inclement weather.

Are lifeguards provided for water activities?

Yes. Trained American Red Cross Lifeguards are posted at every water activity. Lifeguards are posted per the ratio requirements of the American Red Cross.

What happens in the case of bad weather?

In the case of light rain, we will continue to hold classes and activities outdoors; however, in the case of inclement weather, all classes, rec time hours, and night events will be held indoors. Sky Ranch has created "rainy day" versions of all classes and night events. Our staff work to maintain a quality program and experience even when moving indoors. The Sky Ranch leadership team will be tracking and aware of all potential threatening weather conditions and can ensure you they are making a plan that will be communicated to the school's lead teacher and administration. In the case of bad weather, Sky Ranch has several safe areas for schools to take cover in along with radio communication available in every cabin in the case something was to come into effect during nighttime hours.

Does Sky Ranch teach religious content?

The Sky Ranch School Programs department exists to support the educational development of all students from our partner schools. Sky Ranch's Outdoor Education programming serves as an extension of our partner schools and their selected educational curriculum. The instructional content is all in alignment with the Texas Essential Knowledge and Skills; therefore, religious content is not incorporated into the trip. Private Christian schools may choose to incorporate faith into their programming.

What are the cabin accommodations?

While visiting Sky Ranch, your school will be assigned a set of cabins to appropriately accommodate the specific number of students coming to camp. Schools will create and communicate cabin assignments to students and

chaperones. All room assignments will be gender specific and be based on the Sky Ranch recommended ratio. Sky Ranch requires a minimum of one adult per cabin.

All cabins are complete with heat, air conditioning, and fully functioning restrooms.

What should I pack for my time at Sky Ranch?

For more information on packing, please reference the packing list included in the packet. We provide packing lists specific to parent chaperones, teachers, and students. Each of these packing lists are available on our website:

<https://skyranch.org/media/W1siZiZlsljwMTgvMDIvMjAvMWhvejM2dW9leF9QYWNraW5nX0xpc3QucGRml1d/Packing%20List.pdf>

Will my students have to participate in high ropes/challenge courses?

If the school chooses to select it as a part of their recreational time schedule, students will have the option to participate in a range of ropes activities. At Sky Ranch, we operate under the “challenge by choice” mentality. Your students will be encouraged to participate in activities that challenge and push them out of their comfort zone, but only to a degree that they are ready for. Staff who lead challenge course activities are trained through an Association of Challenge Course Technology (ACCT) preferred vendor member. All challenge course elements and equipment are inspected annually by an Association of Challenge Course Technologies (ACCT) preferred vendor member.

Where do teachers stay while on camp?

Teachers have a few options regarding accommodations. Teachers may stay in the same cabins as their students of the same gender. If teachers are unable to stay with students, there are 2 options depending on availability. An additional teacher cabin can be provided to schools needing a separate space for teachers to sleep. Teachers and administrators may also opt to stay in our upgraded lodge cabins. Lodge cabins have an additional fee of \$50 per room for the entire stay. Each lodge room features a queen-sized bed, one bunk bed, bedding, towels, a private bathroom, a chair, nightstand, and lamp.

Are golf carts available?

Golf carts are available to rent for \$50 per golf cart per day. While golf carts are not a trip necessity, schools tend to enjoy having one for the sake of quick transportation across camp.

What is a camp coordinator?

Upon arrival, your school will be assigned a camp coordinator. Your camp coordinator is one of our trained instructors who will be with your school for the entirety of your stay. He/She will serve as your main point of contact during your trip. He/She will check in with your lead teacher regularly, communicate pertinent information, meet any needs you may have, and coordinate the details of your trip once on camp.

What is the required ratio for adults:students?

While Sky Ranch does not require a ratio while on camp, we recommend bringing 1 adult per 8 students.

Why is my student number on my invoice lower than my anticipated number of students attending?

Your contract and deposit invoice are based on a guaranteed minimum that is about 10 less than your expected number of students. This gives you a cushion in case your numbers fluctuate any between booking and your trip. Your pre-trip invoice will reflect your expected number of students and adults. Your final invoice will reflect the actual number of students and adults you brought on your trip.

What are the qualifications for a Sky Ranch instructor?

Because of the unique educational environment provided at Sky Ranch, we devote a significant amount of effort to recruiting our instructional staff. Not only are staff members able to deliver educational content to students, they must do so in a manner that is highly relational and fun. We select individuals who are great communicators, love kids, and know how to have fun. All our instructors are full-time staff members and hold a minimum of a bachelor's degree from an accredited college or university. Through a unique relationship with Dallas Baptist University, our instructors will also be receiving a Master's degree after two years of teaching with the Outdoor Education Program.

Once on camp, when can I meet with all my chaperones?

After your arrival on camp, there will be a designated time for your camp coordinator to meet with your chaperones and teachers. During this time, they will explain Sky Ranch's rules and expectations, answer questions, and make announcements. This is a great time for teachers to meet with parents and make any necessary announcements.

When will I receive the schedule for our trip?

Approximately 2 weeks before your trip you will receive a preliminary schedule by email from your Event Coordinator. This schedule will reflect the selections made when you completed the trip questionnaire. Your schedule is subject to change up until your arrival on camp due to the ever-changing needs of camp. After your arrival, your teachers and chaperones will receive your school's finalized schedule during the chaperone and teacher meeting with your camp coordinator.

TEACHER TIPS & TRICKS

SERIOUSLY **FUN** LEARNING

Before you arrive:

- Please let your event coordinator know any preferences you may have regarding your trip. We will try to accommodate as many requests as we can.
- Please divide students into letter class groups BEFORE you arrive on camp.
- Make sure that students and chaperones know what cabin and class group they are in before arriving.
- Have Participant Agreements in a separate, easy to get to stack. You will turn them in upon your arrival at Sky Ranch. Make sure you have a participant agreement form completed and signed for each student and adult on the trip.
- Sky Ranch does not collect any medical information forms from schools. The lead teacher or nurse should keep any medical forms in the event of a medical need.
- Have students and chaperones label their luggage before arrival. Label should include name, cabin number, and school name.
- Campfire skits- If your school chooses Campfire as a night event, students will be asked to create a 2-3 minute skit with their cabin to perform at the event. It is helpful if students are aware of this before arriving at camp.
- Many schools find it helpful to bring walkie talkies for teachers to communicate with each other. Cell phone service is inconsistent, especially in the cabins. Walkie talkies allow cabins to communicate more easily.
- Create a group text for chaperones and teachers before arriving to better communicate information to all adults present on the trip. While cell phone service can be limited on camp, WiFi is available in the main camp buildings.

Journal pages:

- Be sure to have all journal pages printed before your trip for every class your students are taking.
- Sky Ranch updates these journal pages yearly. Please make sure students have the most up-to-date copies.
- Adding page numbers to journal pages helps students find the correct page more easily.
- Placing journal pages in a folder or on a clipboard makes filling out the pages easier.
- Attaching a pencil to the journal with yarn helps students to always have a pencil available.

On Camp:

- After your arrival on camp, there will be a designated time for your camp coordinator to meet with your chaperones and teachers. During this time, they will explain Sky Ranch's rules and expectations, answer questions, and make announcements. This is a great time for teachers to meet with parents and make any necessary announcements.
- Ask parents to be present during Rec time- they can be assigned to a certain area or float between areas.
- The Corral is one of Sky Ranch's snack shops located inside the dining hall. It is optional for schools to utilize this during meals; however, it is the school's responsibility to keep kids out if you choose to not utilize it. Please let your Camp Coordinator know your preference.
- Students need to be prepared for the day when meeting at Headquarters each morning. They need their camp journal pages, pencil, water bottle, close toed shoes, and weather appropriate clothing.
- Parent chaperones are encouraged to be involved during class time, but to refrain from giving answers away to students. Our staff appreciate chaperone support especially when managing large groups of students.
- Students and chaperones need to be on time when meeting for class, meal times, night events, etc. Being on time helps our staff follow the schedule and ensure students get to experience everything Sky Ranch has to offer.
- See Dining Hall Expectations sheet for Dining hall rules and expectations.
- Ziplines- Please note that ziplining is an additional \$6 fee that will be included on your invoice. If you choose to select this as a rec time activity for students and choose to not collect money from students before coming out to camp, a teacher or chaperone from the school must be present to collect money at the bottom of the zipline. Bring change if you plan to collect money this way as Sky Ranch staff are unable to provide change or collect money from students. Following your assigned zipline time, money should be turned in to School Programs leadership to be applied to the school's invoice.
- The weight limit guideline for ziplines is 50-250 pounds.
- Students must be at least 8 years old to participate in trail rides.
