

## Sky Ranch Scholarship FAQs

### **What happens after I apply for a scholarship?**

- Your scholarship application is sent to our Scholarship Department. Please allow 2 weeks for processing. Once your application is processed, you will receive an email from [scholarships@skyranch.org](mailto:scholarships@skyranch.org) with further direction. Please be aware this email is time sensitive and requires action. Add our email address to your contacts to ensure you receive our correspondence.

### **What are the next steps after my scholarship is approved?**

- You will receive a time sensitive email with the amount awarded, specific payment details, and a specific link to register for the 2021 Sky Scholarship event. When you register for the scholarship event, you are accepting the scholarship and you will be asked to process a payment of \$5. Please complete this process within one week to guarantee your scholarship.

### **What happens after I have registered for the 2021 Sky Scholarship event?**

- Once you have completed the registration and processed the \$5 payment, please allow up to two weeks for your camper to be transferred to the requested session. Your credit card on file will be charged the 25% deposit **at any time** during these two weeks. Please plan accordingly.

### **What if I cannot pay the 25% deposit?**

- To reserve a spot, we require 25% of your portion to pay at time of registration. We ask that you do not complete the Sky Scholarship registration if you are not able to pay the 25% deposit. If the payment is declined while trying to process, the scholarship award will be cancelled.

### **What are the terms of the payment drafts?**

- All scholarship registrations must be on a payment plan. After the 25% deposit is processed, the remaining balance owed will be set up on a monthly draft. This draft will occur once a month, to the card on file and end four weeks before arrival. Please ensure to reconcile your Sky Ranch Online Account with your personal financial statements after each scheduled draft date occurs. **Cancelling your payment draft or a declined payment will result in forfeiting your scholarship.**

### **When is my final payment due?**

- Your final payment will draft four weeks before the session that you have selected to attend.

### **What session will I be attending?**

- We will enroll your camper in the session you chose on your application (depending on availability). You can transfer your camper any time before April 15<sup>th</sup> to an open session.

### **If this session does not work for our family, are we able to transfer?**

- You can transfer to any open session. If the desired session does not have availability, you will need to pick an open session to keep your scholarship funds.

### **What if my desired session has a wait list?**

- We require scholarship funds be applied to an active registration. Your camper can be added to a wait list, but they must have an active registration in an open session to secure scholarship funds.

### **How do I calculate my portion to pay deposit?**

- Your deposit is 25% of your portion to pay. The way this is calculated is multiplying your remaining balance by 0.25. For example: \$100(portion to pay) X 0.25(25% deposit) = \$25(your total deposit due)

### **Can I use scholarship funds for Ranch Bank or other charges?**

- Scholarship funds can only be used for camp tuition and cannot be applied to any other charges.

### **Can I transfer my child's scholarship to another family?**

- Scholarships are designated only to the recipient and cannot be transferred.

### **Can I combine my scholarship with a discount?**

- Scholarships and discounts cannot be combined. If you have applied and received both a scholarship and a discount, the greater of the two will be applied.

### **What is the scholarship cancellation policy?**

- Scholarship families who cancel any time after registering will forfeit the \$5 Application Fee and the 25% deposit.
