

WHAT SKY RANCH IS DOING TO REDUCE ENTRY AND SPREAD OF COVID-19

BEFORE CAMP

Let's do this together!

In the 14 days before you even come to camp, let's work together to minimize risk:

Protect yourself and others by:
Washing your hands often
Stay 6 feet apart from others outside your home
Avoiding close contact with people who are sick

Don't come to camp if you are:
Ill
Have been in close contact with a person with COVID-19 in the past 14 days
Have had COVID-19 in the past 10 days

Follow CDC travel guidance

Consider avoiding:
Crowded outdoor events
Movie theaters
Gatherings in poorly ventilated areas

Employee Training

with COVID-19 specific content

Heightened Health Screenings before entry into camp

- ✓ For both campers and employees
- ✓ Health Questionnaire to be completed within 24 hours of camp arrival - If needed, follow up assessment with a healthcare professional

ARRIVALS & DEPARTURES

Modified drop off & pick up

- ✓ Encouraging camper families to stay 6 feet apart
- ✓ Reduced capacity in indoor areas
- ✓ **Day Camp:** drive through drop off & pick up

AFTER CAMP

- ✓ Consider limiting interaction with others, and having your camper take a rapid test if they will be near vulnerable populations or participating in sports teams or other close proximity groups
- ✓ Please report if your camper tests positive for COVID-19

DURING CAMP

Camper interaction

Camper orientation providing information on hand washing, staying 6 feet apart from other pods, and when to wear a mask

Daily symptom checks for both campers and employees

Emphasis on handwashing (*hand sanitizer when soap and water are unavailable*), and respiratory etiquette

Physical Distancing - We will be organizing cabins into pods:
Adjusted activity and meal schedules based on the pods
Eliminating or modifying large group programming
Emphasis on outdoor programming when feasible

Masks:
Will not be required when interacting with their own pod
Will be used when physical distancing from other pods is not possible
Will be used by employees when unable to maintain physical distancing outside of their pod

Facilities

Routine Cleaning and Disinfecting, including activities and equipment

Emphasis on head to foot bed layouts in camper cabins

More handwashing and hand sanitizer stations

Signage posted to reinforce important behaviors

Altered Food Service operations to eliminate or reduce contact of frequently touched objects

Increased visitor restrictions

Response in the case of illness

- ✓ Updated Health Center Policies, Procedures and Protocols with COVID-19 specific information
- ✓ Isolation and Quarantine of campers and employees with COVID-19 like symptoms. Campers will be isolated, assessed, and if appropriate sent home
- ✓ Clear communication to all involved
- ✓ Will coordinate with local and state health departments
- ✓ Clean and disinfect any affected areas
