

HORN CREEK OFF-CAMP ADVENTURE DAY

The areas around and near Westcliffe, Colorado are full of opportunities for adventure! Consider exploring some of the following options on your off-camp adventure day. Some options might be worth an extra day in the area before heading home.

CLOSER ADVENTURES

Fishing: Abundant opportunities exist for trout fishing. The Arkansas River is nearby, and many mountain lakes, including Lake Isabel. These are all accessible for your fishing enjoyment. You may purchase a fishing license at Valley Ace Hardware in Westcliffe. Colorado requires all fishers to have a fishing license.

Historic Beckwith Ranch: Just outside of town, the Beckwith Ranch is a historic cattle ranch in the Wet Mountain Valley of Custer County. The headquarters spread over eleven buildings, ten of which have been listed on the National Register of Historic Places since May 20, 1998.

Comanche-Venable Loop: This adventure is close by, on the Sangre de Cristo range. Its trailhead is located just off County Road 140, and it boasts a beautiful, flowery meadow and multiple lakes. The Phantom Terrace is located along the face of Venable Peak—a narrow path that may be a bit of a challenge for an unsteady climber. The views are breathtaking, and although it's not a 14er, it's a worthy climb. Be sure to start early and to plan well if you wish to attempt this feat.

Lake of the Clouds: This trail is a 13-mile moderately trafficked, out and back trail located just under an hour from Westcliffe; it features a lake and is rated as difficult. The trail is primarily used for hiking and mountain biking. Be sure to start early and to plan well if you opt for this adventure.

FURTHER ADVENTURES

Bishop Castle Exploration: This castle is an elaborate and intricate, one-man project named after its constructor, Jim Bishop. It has become a roadside attraction in central Colorado. There is no admission charge, and the tour is self-guided. It's located about 45 minutes from camp. Bishop Castle is a privately-owned property. It is a well-known tourist site. It is not a state regulated structure; all climbing and touring is at your own risk. Lake Isabel is just down the road from the castle—a beautiful oasis, a picnic area and hiking attraction.

Mission: Wolf: This is a peaceful sanctuary for captive wolves and wolf-dog crosses that connects people with nature, using hands-on experiential education. Take a guided tour to witness and learn about wolves.

St. Elmo's Ghost Town: Beyond Salida, two hours from camp is a somewhat abandoned ghost town, and is a popular destination for four wheeling and exploring. The town is known for its chipmunk attraction (they eat out of your hands), and its overwhelming number of hummingbirds outside of the General Store. It's a beautiful drive.

OFF-CAMP ADVENTURE DAY

The Great Sand Dunes National Park and Preserve: The tallest dunes in North America are the centerpiece in a diverse landscape of grasslands, wetlands, conifer and aspen forests, alpine lakes, and tundra. Experience this diversity through hiking, sand sledding, splashing in Medano Creek, wildlife watching, and more! Entrance to the park is \$15 per car, and the location is about two and a half hours from Sky Ranch Horn Creek. Joyful Journey Hot Springs is another possibility you may wish to check out if you are headed in this direction. Also close to the Sand Dunes is Zapata Falls; the short ½ mile hike up to Zapata Falls is a beautiful and refreshing mini adventure. You can hike right up across the creek to play in the falls, but the rocks can be slippery—be sure to wear appropriate footwear. The falls are located about 8 miles south of the Great Sand Dunes National Park entrance and a beautiful 3.5 mile drive up to the trailhead provides excellent views of the San Luis Valley. The drive and hike are free.

White Water Rafting: We recommend Noah's Ark near Buena Vista for your adventure down the Arkansas, and we have their brochures (they offer our guests a discount). Let us know before Wednesday, and we'll schedule a time for you, your friends, and your family. It's about an hour and a half drive from camp.
