

Sky Ranch Scholarship FAQs

What programs are eligible for scholarships?

- Van Overnight Camp, Quest Colorado, Sigma Junior, Sigma Senior, Horn Creek Family Camp, and Day Camp

What happens after I apply for a scholarship?

- Your application will be reviewed by our Scholarship Department. Please allow 3 weeks for processing. Once processed, you will receive an email from Scholarships@SkyRanch.org with further direction. **This email is time sensitive and requires action.** Add our email address to your contacts to ensure you receive our correspondence.

What are the next steps after my scholarship is approved?

- You will receive an email with the amount awarded, payment details, and a link to register for the 2023 Sky Scholarship event. By registering for the scholarship event, you are accepting the scholarship. A \$5 Application Fee is required. **Please complete this process within one week to guarantee your scholarship.**

What happens after I have registered for the 2023 Sky Scholarship event?

- Please allow two weeks for your camper to be transferred from the Sky Scholarship event to the requested session. Your credit card on file will be charged the 25% deposit **at any time** during these two weeks. Please plan accordingly.

What if I cannot pay the 25% deposit?

- We require a 25% deposit at time of registration. Please do not complete the Sky Scholarship registration if you are unable to pay the 25% deposit. If the payment is declined while trying to process, the scholarship award will be cancelled.

What are the terms of the payment drafts?

- All scholarship registrations must be on a payment plan. After the 25% deposit is processed, the remaining balance owed will be set up on a monthly draft. This draft will occur once a month, to the card on file and end four weeks before arrival. Please reconcile your Sky Ranch Online Account with your personal financial statements after each scheduled draft occurs. **Cancelling your payment draft or a declined payment will result in forfeiting your scholarship.**

When is my final payment due?

- Your final payment will draft four weeks before the session that you have selected to attend.

What session will my camper attend?

- Sessions 01, 06, 09, 10, and 11 are available for Van. You will choose your preferred session during the application process and the session awarded will be chosen based upon availability.

If this session does not work for our family, are we able to transfer?

- You can transfer to Sessions 01, 06, 09, 10, or 11 for Van Overnight Camp depending on availability until April 12th (without fee) if the session you chose no longer works for your family. After April 12th, a \$10 service charge applies.

What if my desired session has a wait list?

- You must choose an open session when accepting the scholarship. Scholarships cannot be applied to waitlist registrations.

What if my camper is already registered?

- Scholarships will not be applied to existing registrations. If your camper is already registered, you may be asked to transfer your camper to a different session depending upon availability.

How do I calculate my deposit?

- Your deposit is 25% of your portion to pay. This is calculated by multiplying your remaining balance by 0.25. For example: \$100(portion to pay) X 0.25(25% deposit) = \$25(your total deposit due)

Can I use scholarship funds for Ranch Bank or other charges?

- Scholarship funds can only be used for camp tuition and cannot be applied to any other charges.

Can I transfer my child's scholarship to another family?

- Scholarships are designated only to the recipient and cannot be transferred.

Can I combine my scholarship with a discount?

- Scholarships and discounts cannot be combined. If you have applied and received both a scholarship and a discount, the greater of the two will be applied.

What is the scholarship cancellation policy?

- Scholarship families who cancel any time after registering will forfeit any amount paid up to \$100 for Van Overnight Camp, \$200 for Colorado Leadership Camp, and \$50 for Day Camp. **After April 12, 2023, no refunds are given.**
